Who We Are

KX94.7 is Canada's #1 Country radio station! Launched in August of 2011 with a 100,000 watt signal, the station serves the communities of Hamilton, Burlington, Oakville and the rest of the Golden Horseshoe, from Niagara to the western boundaries of Toronto.

Country music has never been so popular, especially within the younger generation. **KX94.7's** audience is upscale – 47% live in households of \$100,000 plus incomes, 28% are executives, professionals, or managers and 70% have post-secondary education.*

Canadian Country Music Association's 2014 "**Personalities of the Year**" Toff and Melissa kick off the Morning Show from 5:30 to 9. Then it's Linda Martelli till 2pm, followed by Derm on the drive home to 7pm. Mike Fuller hosts evenings and weekends.

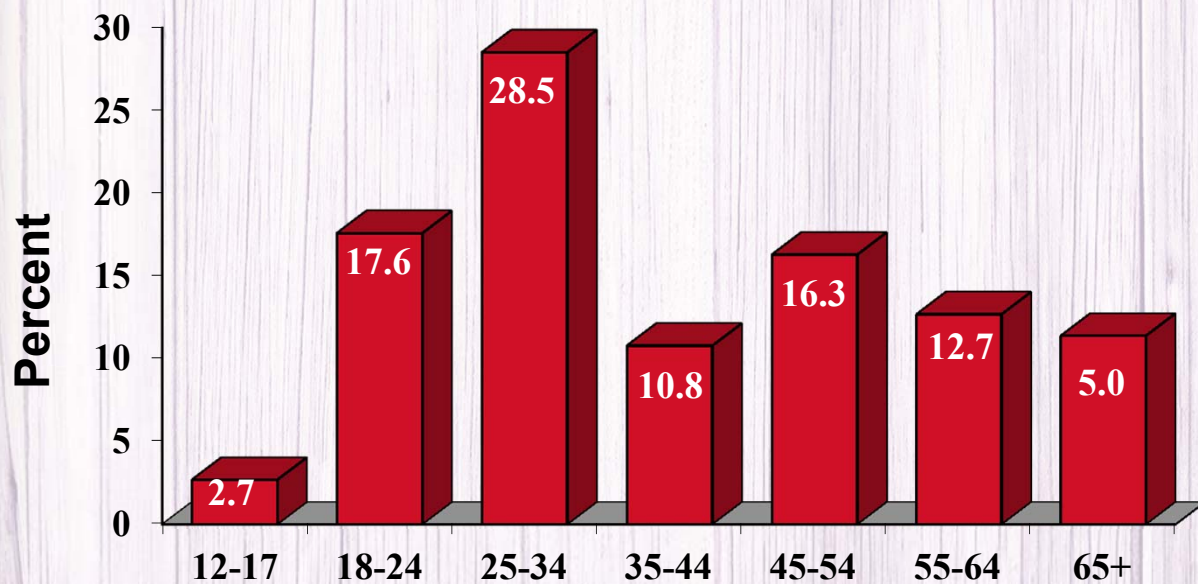

KX94.7 offers many feature sponsorships like news, weather, traffic reports and live-on-location remotes. As well, there's a list of on-line opportunities – email blasts, streaming pre-rolls and banner ads along with other great promotional programs!
