

CLUE EXPLANATIONS FOR THE KX FIVE GRAND CASH QUEST

Clue number one, yes there's five grand around, But it's not all that close, to where the three grand was found.

It was not down in the harbour. It was on the mountain this time.

Clue number two, it's still early stages; The location is open, to all races and ages.

Sam Lawrence Park is open to everyone.

Clue number three, gives you something to gain; If you're looking for classes, you're searching in vain.

An early clue that the \$5000 was not hidden at a school.

Clue number four, is really terrific; To take home the money, be doubly specific.

This clue was telling you that two elements were needed to be successful. Specifically "The Pavilion" and "Sam Lawrence Park".

Clue number five, if you want to know where; All you may need, is a breath of fresh air.

It was in a park so this clue is self-explanatory.

Clue number six, your answer will fit; If you can look all around, and see places to sit.

In Sam Lawrence Park there are benches prominently located in and around the Pavilion.

Clue number seven, this tells you some more; For part of the answer, we'll accept either/or.

The official word we were looking for was "Pavilion," but we also would have accepted "Gazebo" since people often mistake the two. To be sure that we would not deny someone the money on an unreasonable technicality, we decided in advance that anyone who said "Gazebo" would most likely be using the word interchangeably with "Pavilion" and therefore we would accept it as part of the complete correct solution.

Clue number eight, to make your decision; Please pay attention, and don't pay admission.

There is no admission charge to enter Sam Lawrence Park.

Clue number nine, if you begin at the ship; Go south and keep going, that's the start of your trip.

Sam Lawrence Park is located south of HMCS Haida, our previous Cash Quest hiding place.

Clue number ten, you can get there by bus; Put everything together, and take thousands from us.

Sam Lawrence Park is reachable by bus.

Clue number eleven, make your answer complete; But you don't need to mention, a road or a street.

This clue reinforced the need for a complete answer, but it was not necessary to mention where the park is located.

Clue number twelve, will help find the spot; See the location you seek, from a parking lot.

There is a parking lot close to where the money was located.

Clue number thirteen, from where Marauders are playing; Go south to discover, the thousands we're paying.

The park is located south of McMaster University, where the Marauders football team plays their games.

Clue number fourteen, this is our attitude: When it comes to a word, we'll give you some latitude.

This refers again to our willingness to accept "Pavilion" or "Gazebo" as part of the correct solution to the mystery.

Clue number fifteen, your guess will be wrong; If you think it's the area, where your bags move along.

The money was not hidden at Hamilton Airport.

Clue number sixteen, with justification; I can tell you right now, it's not at the station.

The money was not hidden at KX 94-7.

Clue number seventeen, we want to be clear; You can be in the location, any time of the year.

Access to Sam Lawrence Park is year-round.

Clue number eighteen, will help you compete; It's not in the hall, where the elected can meet.

This clue told you that the hiding place was not Hamilton City Hall.

Clue number nineteen, the money is high; Just find a location, where standards are high.

"Standards" is another word for flags, which are featured prominently in Sam Lawrence Park.

Clue number twenty, not the place from before; But there's one similarity, you'd best not ignore.

HMCS Haida is part of a park.

Clue twenty-one, says don't go astray; From where steel is created, southwest is the way.

The park is southwest of Stelco.

Clue twenty-two, will help you get nearer; If you see something covered, the solution gets clearer.

A reference to the Pavilion which is covered by a roof.

Clue twenty-three, two things you must mention, Both are required, to be in contention.

Another reminder that the correct answer required two equally important elements.

Clue twenty-four, the money is hiding; Near Hamilton commuters, repeatedly riding.

A reference to the busy traffic up and down the mountain near Sam Lawrence Park.

Clue twenty-five, nothing is mooring; It's a place where you'll notice, some people are touring.

This told you that it wasn't near boats, and also referred to the park as a sightseeing attraction.

Clue twenty-six, will help you get richer; If you go to this place, you could be taking a picture.

Self-explanatory.

Clue twenty-seven, just put it together; Where the money is hiding, is in from the weather.

This told you that the money was inside the Pavilion which is sheltered from the elements by a roof.

Clue twenty-eight, may be leading you there; Where the money is hidden, there's nature to spare.

Self-explanatory.

Clue twenty-nine, the mystery is solved; If you know where you're going, four words are involved.

The four words needed were Sam, Lawrence, Park, and Pavilion. (We also would have accepted Gazebo as the fourth word.)

Clue number thirty, you'd better take heed; A name in an epic, is a name that you need.

The epic we wanted you to think of is the Academy Award-winning movie, "Lawrence of Arabia."

Clue thirty-one, what you do with a car; Is part of the answer, that'll make you a star.

What you do with a car: Park.

Clue thirty-two, we know that you're trying; The money is hiding, where colours are flying.

"Colours" refers to the flags prominently flying in Sam Lawrence Park.

Clue thirty-three, will give you a hand; It will help if you mention, a name if you can.

This clue told you a name was needed (Sam Lawrence Park)
